Bloody Mary						
Image		https://www.pexels.com/photo/glass-of-cocktail-with-lemon-5947101/	PEXELS - Charlotte May			
Prep time	5m					
Difficulty	easy					
Serves	2					
Ingredients	large handful of ice	100ml vodka	500ml tomato juice	1 tbsp lemon juice, plus 2 slices to serve	few shakes Worcestershire sauce	few shakes Tabasco sauce
Method		Place the ice in a large jug. Measure the vodka, tomato juice and lemon juice and pour it straight onto the ice.	Add 3 shakes of Worcestershire sauce and Tabasco (or more if you like it very spicy) and a pinch of celery salt and pepper. Stir until the outside of the jug feels cold, then strain the cocktail into 2 tall glasses.	Top up with fresh ice, add a celery stick and lemon slice to both glasses and enjoy.

Espresso martini						
Image		https://www.pexels.com/photo/fully-filled-stemmed-glass-3407778/	PEXELS - Sebastian Coman Photography			
Prep time	10m					
Difficulty	Easy					
Serves	2					
Ingredients	100g golden caster sugar	ice	100ml vodka	50ml freshly brewed espresso coffee	50ml coffee liqueur	4 coffee beans (optional)
Method		Start by making the sugar syrup. Put the caster sugar in a small pan over a medium heat and pour in 50ml water. Stir, and bring to the boil.	Turn off the heat and allow the mixture to cool. Put 2 martini glasses in the fridge to chill.	Once the sugar syrup is cold, pour 1 tbsp into a cocktail shaker along with a handful of ice, the vodka, espresso and coffee liqueur. Shake until the outside of the cocktail shaker feels icy cold.	Strain into the chilled glasses. Garnish each one with coffee beans if you like.

PETRA, JORDAN

content	Petra, originally known to its inhabitants as Raqmu or Raqēmō is an historic and archaeological city in southern Jordan. It is adjacent to the mountain of Jabal Al-Madhbah, in a basin surrounded by mountains forming the eastern flank of the Arabah valley running from the Dead Sea to the Gulf of Aqaba. The area around Petra has been inhabited from as early as 7000 BC and the Nabataeans might have settled in what would become the city around 400 BC, as early as the 4th century BC. Archaeological work has only uncovered evidences of Nabataean presence dating back to the second century BC, by which time Petra had become their capital. The Nabataeans were nomadic Arabs who invested in Petra's proximity to the incense trade routes by establishing it as a major regional trading hub. Petra is a site at the intersection of natural and cultural heritage forming a unique cultural landscape. Ever since Johann Ludwig Burckhardt aka Sheikh Ibrahim had re-discovered the ruin city in Petra, Jordan, in 1812, the cultural heritage site has attracted different people who shared an interest in the ancient history and culture of the Nabataeans such as travellers, pilgrims, painters and savants.	https://en.wikipedia.org/wiki/Petra		

Honolulu, Hawaii

content	Hawaii Ocean about 2,000 miles from the U.S. mainland. The cuisine of Hawaii is a fusion of many foods brought by immigrants to the Hawaiian Islands, including the earliest Polynesians and Native Hawaiian cuisine, and American, Chinese, Filipino, Japanese, Korean, Polynesian, Puerto Rican, and Portuguese origins. Some key customs and etiquette in Hawaii are as follows: when visiting a home, it is considered good manners to bring a small gift for one's host (for example, a dessert). Thus, parties are usually in the form of potlucks. Most locals take their shoes off before entering a home.	https://en.wikipedia.org/wiki/Hawaii	Tourism is an important part of the Hawaiian economy. In 2003, according to state government data, there were more than 6.4 million visitors with expenditures of over \$10 billion, to the Hawaiian Islands. Due to the mild year-round weather, tourist travel is popular throughout the year. The major holidays are the most popular times for outsiders to visit, especially in the winter months. Substantial numbers of Japanese tourists still visit the islands but have now been surpassed by Chinese and Koreans due to the collapse of the value of the Yen and the weak Japanese economy. The average Japanese stays only five days, while other Asians stay over 9.5 days and spend 25% more.

content	Vatican City officially the Vatican City State is an independent city state and enclave located within Rome, Italy. Within Vatican City are religious and cultural sites such as St. Peter's Basilica, the Sistine Chapel, and the Vatican Museums. They feature some of the world's most famous paintings and sculptures. The unique economy of Vatican City is supported financially by donations from the faithful, by the sale of postage stamps and souvenirs, fees for admission to museums, and sales of publications. Vatican City is home to some of the most famous art in the world. St. Peter's Basilica, whose successive architects include Bramante, Michelangelo, Donato della Porta, Maderno and Bernini, is a renowned work of Renaissance architecture. The Sistine Chapel is famous for its frescos, which include works by Perugino, Domenico Ghirlandaio and Botticelli as well as the ceiling and Last Judgment by Michelangelo. Artists who decorated the interiors of the Vatican include Raphael and Fra Angelico.	https://en.wikipedia.org/wiki/Vatican_City	Hawaii hosts numerous cultural events. The annual Merrie Monarch Festival is an international Hula competition. ^[206] The Hawaii International Film Festival is the premier film festival for Pacific rim cinema. ^[207] Honolulu hosts the state's long-running LGBT film festival, the Rainbow Film Festiva

content	Icelandic culture has its roots in North Germanic traditions. Icelandic literature is popular, in particular the sagas and eddas that were written during the High and Late Middle Ages. Centuries of isolation have helped to insulate the country's Nordic culture from external influence; a prominent example is the preservation of the Icelandic language, which remains the closest to Old Norse of all modern Nordic languages. You also get to see the Northern Lights on a clear sky during winter.	https://en.wikipedia.org/wiki/Iceland
